Become a Sponsor!

Your sponsorship will support Clean Water Action's efforts to protect our drinking water from toxic substances, fight plastic pollution, and advocate for a clean energy future. You or your organization will be showcased to Rhode Island members and supporters!

Thank you in advance for your support! Clean Water Action's strength and effectiveness come from our sponsors who help sustain the organization's programs. We don't take money from polluters. This gives us the independence and grassroots power to shape effective policies.
